## Explanatory Note

(This does not form part of the notification, but is intended to achieve the general purport.)

As it has come to the notice of Government that several unauthorised buildings exist within the state, Government decided to bring in a legislation to regularise the Unauthorized Constructions carried out up to 31<sup>st</sup> July 2017 in the Municipal and Municipal Corporation areas in the State by imposing compounding fee for achieving the purpose. Government have decided to amend Section 407 of the Kerala Municipality Act, 1994, through the Kerala Municipality (Second Amendment) Ordinance, 2017 (Ordinance No.33 of 2017) to regularise the Unauthorised Constructions carried out up to 31<sup>st</sup> July, 2017 in the Municipal and Municipal Corporation areas. Accordingly the Government have decided to issue this rule, by superseding the existing rules namely the Kerala Municipality Buildings (Regularisation of unauthorised Construction) Rules, 2014.

The notification is intended to achieve the above object.
